

KUSWANTH KUMAR BOKAM

09490511982 | kuswanthkumarbokam16@gmail.com | Visakhapatnam, Andhra Pradesh

Front-End Developer

I am a front-end developer who's passionate, about creating seamless and engaging experiences. I am actively looking for challenges and opportunities in this field. With a foundation in computer science and recently completing the Meta Frontend Professional Certification, I am well-versed in the latest industry standards and best practices. Throughout my journey in front-end development, I have gained expertise in HTML, CSS, and JavaScript. Additionally, I have an understanding of design principles and user experience. I am excited to contribute to the success of your projects and develop alongside a team that prioritizes excellence, in web development.
